CAREER OBJECTIVE

Motivated Frontend Developer with hands-on experience building responsive, user-friendly web apps using React.js, Tailwind CSS, Bootstrap, and JavaScript. Keen to leverage internship experience and strong debugging skills to contribute to high-quality, scalable web projects.

EXPERIENCE

Frontend Development Intern

Jan 2025 – Jun 2025

I Digitech Private Limited, Mumbai

- Developed client-facing pages with HTML, CSS, JavaScript, React.js.
- Built responsive UI with Tailwind CSS & Bootstrap.
- Collaborated with senior devs to debug and improve performance.
- Used Git/GitHub in agile workflow.
- Efficiently used VS Code & Chrome DevTools for debugging.

TECHNICAL SKILLS

Frontend: HTML, CSS, JavaScript, React.js, Tailwind CSS, Bootstrap

Tools: Git, GitHub, VS Code, Chrome DevTools

Other: Responsive Design, Debugging, API Integration

PROJECTS

🍴 TasteHub (Restaurant Food Website)

Built in React.js + Tailwind CSS with reusable components and smooth navigation. Implemented dynamic sections using React Hooks and ensured full responsiveness.
